

Yet if you should forget me for a while

And afterwards remember, do not grieve:  
It's your gift you should share, but

I'm so late. Do you know when a boy says  
A vestige of the forgotten small orse had  
The little things and they make you smile?

Beck by far. Even a smiley face, then those butterflies came  
Then just you and your beautiful red lips and the boy thinks  
It's just a cow? Yeah happens alot. I hope he

I was going to send a gift to my partner or someone.  
He didn't even notice me. Whatever, this is  
us both dreaming...

Nothing happened today. Bunting Sunday (ya)  
I hope comes!!! Dit it.

Fuck Patrick. I fucking hate him. I don't

March 3, 11:00am. I'm content with being 4 2011  
alone. Surp. It's 9:37 pm. TLF. So last night I got what  
I asked for. He came online, blacked & kissed  
to text but it's what I've  
Alyssa and called me. Plot. 2.5. I felt bad for

I'm just upset. I'm happy for what he said. Anyways  
I don't know he likes Zeev and they are going to date.  
Perfect. Just when I'm happy. I mean  
In other words, I can't bear. Literally, I can't

when you say someone's your  
hear anything. It's getting worse and worse.  
to live. OAT. They've got a nest. Did they find a bird

life... Hachim and my sister and sister's family are together!  
How strange it is. The first of the season. Fat.

How do he said he doesn't like Zeev... To strong  
Part of me thought he was trying me. I know

he just used Alyssa. He told me things.  
He let me in. I think I'm the only  
person he's let in. But I have to  
hold my ground.

(HBD Mom)

May 27, 2011

We had CHAAC today. We lost. They were a great team.

Trouble in paradise. 1 March 15 2011  
Know w/ 17th day of the month still so today  
mad I got up early and walked 5-10 blocks,  
no more, probably 10-15. I was 107 pounds.  
one fat. (I don't know) I don't have anything  
called a belly. I was a little bit of a  
don't before it gets better. I had a  
prick. They with Niki. (Kala & Kala & Kala)  
We played 3 on 3. Why Niki was a bit  
to trip. It was complaining about Zael. But he's  
anything? I texted him saying

Just woke up and told me  
everything's all right.

He apparently showed up with  
Cleyley but that that's easily  
be a lie.

I don't know what to do.

May 28, 2011

That didn't take long did it? He  
hurt me. It was a lie. I'm so dumb.

Apparently they're uncontrollably in  
love. I'm so dumb.  
March 16 2011

Today I hung with Niki, we were  
it 4 or 5 times. He even for the needles was  
in. I went to the 10th grade. I wasn't  
did they be so to me. I didn't deal with  
speaking to me. I haven't heard anything  
, since I am HOS. I didn't  
even. I've been 1. I was a punk, but I've  
he didn't like me. That's good right?

Well, I'm completely done  
with his fake ass. I want to get  
revenge so bad though.

Hello here!

I've been thinking about aliens a lot recently, I think I've been poked.

Also I am deathly in love with the bang!

And to go to the fucking therapist for I want

in the slower thinking absent how for me

forgiving him was the best survey for myself

you can't really go around saying, "He, hell

girls that they should just give <sup>them</sup> a <sup>TART</sup> <sup>or</sup> <sup>change</sup>

but for me that was just fine! <sup>HAD</sup> <sup>A</sup> <sup>change</sup> <sup>of</sup> <sup>mind</sup>

sleep who crying which is fucking sweet!

I'd say the biggest happens in my <sup>life</sup> <sup>is</sup> <sup>the</sup> <sup>best</sup> <sup>of</sup> <sup>all</sup>

life in relation to others is <sup>the</sup> <sup>best</sup> <sup>of</sup> <sup>all</sup>

starting to disprove my <sup>own</sup> <sup>theories</sup>.

nothing <sup>is</sup> <sup>as</sup> <sup>easy</sup> <sup>as</sup> <sup>it</sup> <sup>seems</sup>.

Also why the fuck do I say say HELLO

every fucking time we're in the

kitchen together, like, hello, I see you

what the fuck!

I think I'm saying "but" <sup>but</sup> <sup>it's</sup> <sup>not</sup> <sup>the</sup> <sup>same</sup>

don't know what I'm <sup>going</sup> <sup>into</sup>.

This weekend is going to be hell

## ON SHOW AND TELL

### *Artist Statement*

Shauna Ruby Valchuk has always been interested in the gaps in growth through romantic relationships. In her piece, *On Show and Tell*, she used generations of her diaries. Starting in 2011 following through to the present, *On Show and Tell* tells the tale of Valchuk's most impactful relationship with a man, Patrick, who has been in her life all these years. One can follow her twisted journey in finding Patrick, finding herself, and removing herself from it all. Valchuk uses anaglyph 3D style editing to make this journey almost untraceable, but still present. Her first six pieces are from a diary she kept in 2011 (over-toned with blue) and a diary she kept in 2013 (over-toned with red). These diaries document her struggle with understanding the faults in her formative relationships, as well as the rapid ups and downs of it all. Her final and seventh piece is an overlap between a diary she kept in 2017 and the present. The fragment from 2017 tells how she coped with her abuse and learned to accept it and the most recent fragment in the project demonstrates how she moved on. Complimented with doodles throughout her life, *On Show and Tell* shows all the things a relationship should and shouldn't be.
